6th Annual

Taste of LSA

The junior class (class of 2011) of LSA High wants to thank everyone who helped and participated in the 6th Annual Taste of LSA!

We had a record number of presenters. We had to set up five more tables than in the past years to hold all the food. In fact, we used every available table and extension cord in the building!

Special thanks to the SideWalk Stompers and our very own Dr. White for great entertainment. We couldn't have kept the electricity flowing without Mr. Dahn. Floyd Basil emptied the garbage cans all night for us. We'd also like to thank the Junior parents, the cheerleaders, the sophomores (and their parents) all the other food presenters, and of, course the record crowd of people who came to eat!

It was an awesome evening—now on to Prom and Post Prom!

congratulations

Did you know...LSA High's very own Aaron Brown was named student of the month at the Decatur Area Technical Academy. Aaron is studying computer maintenance and repair. Way to go Aaron!

High Honor Roll and Honor Roll For the first quarter of the school year. LSA High had 51 students make either high honor roll or honor roll.
