Brett Hinrichs serves as Pastor at Mt. Calvary Lutheran Church. He earned his Bachelor's degree from Concordia University Wisconsin and his Masters of Divinity from Concordia Seminary, St. Louis. Prior to arriving at Mt. Calvary in the fall of 2017, he served at St. Paul's Lutheran Church in Cambridge, NE. Pastor Brett loves working with youth, having served as a member of Concordia's Youth Ministry team, as a camp counselor, and as a teacher at many VBS programs. His love for ministry, families and youth has lead Pastor Hinrichs to graciously volunteer his Wednesday mornings to serve the LSA. He is available to visit with individual students, classroom groups or parents. In his free time, Brett and his wife, Krista, enjoy spending time camping, playing board games, and hanging out with their two energetic dogs.

Are you doing some spring cleaning? Our primary teachers would appreciate book donations towards their classroom libraries. They could use picture books and chapter books (K-5 levels) as they look to build their libraries for the new Daily 5 literacy block next year.

On April 14th a group of 7th & 8th grade students will be competing in the IESA solo/ensemble competition. Also, On April 28th the entire 7th & 8th grade band will go to Sullivan Middle School for the IESA band competition.

Notes from Nurse Laura

I don't know about you, but I'm sure glad this flu season is coming to an end! With that being said, just a reminder that if your child is running a fever please keep them home for 24 hours after being fever-free without fever reducing medication such as Tylenol. There are some bugs still lingering.

Also, very important, PLEASE DO NOT send medication in your child's backpack, pocket or purse. There was a medication found on the floor in the hall last week.

Our hearing and vision testing has concluded. If you received a letter that your child failed the screening please follow-up and return the form to me.

Lastly, if you received a letter requesting a current dental exam please turn those in to me as soon as possible.

Thank you!
Laura Messamore, RN
