From the Director

If you are still making payments on this year's tuition, lunch accounts, or ABC, please keep in mind that remaining balances are due and must be paid by May 25th in order to remain enrolled. We cannot carry a balance into the summer. If you have a balance remaining after May 25th, your registration fees will be used to cover the debt, and parents will then have to re-enroll (which means paying the current registration fee at that point in time). Please also be aware that all records will be held if balances are not covered, so it is very important to make sure that you are making arrangements to finish paying by May 25th. Thank you for your cooperation at this time and for understanding the school's need to approach this situation in such a manner.

Students not checking into ABC will be issued a green slip, and be referred to Mrs. Dippel.
