Coffee Talk

Happy Summer, Everyone! Congratulations on the success of getting through another school year and to those students moving on to high school and college. As we go our separate ways over the summer, don't forget that the details of next school year are waiting for you! If you haven't re-enrolled, make sure to do so before the end of the month before the fee goes up again. Also remember LSA's Referral Program. Suggest the school to your friends, and if they attend all of next year, you'll get \$100 for each new student off of your tuition at the end of the school year! Tell them to call for a tour and reference you when they enroll. Finally, be sure to watch for more information to come this summer concerning this year's Registration Days. We will be having three days to choose from (instead of just one) on August 12, 13, and 14. Information will be given as the dates get closer. God's Blessings on your summer! See you in August!

LSA Parents,
Many of you know me as the current LSA Librarian but you may remember me from the 2011-12 school year when I taught Kindergarten here. I am a certified teacher and I am now offering tutoring for LSA students (K-8). These will be one-on-one sessions that will take place in the LSA library after school. The cost will be \$20 an hour and I will also be tutoring over the summer to help students prepare for the upcoming school year. Please feel free to contact me to arrange a session or with any questions!
